## **Flagstaff Breakthrough:**

**WE HAVE MADE IT TO  
THE WHAREWAKA  
WELLINGTON'S RUGBY  
FANS' ZONE!**

# **THE BEST OFFER YET!**

Thanks to our sponsor, Lion Breweries, we are able to offer a great new venue. We are organising a charity lunch prior to the Hurricanes – Crusaders match. With the help of the Wharewaka o Poneke Charitable Trust we have the waterfront venue for the occasion on **Friday, June 17..**

**Featuring:** Probably our best ever speaker, **Dick Tayler.** The Christchurch personality is also a dominant figure in the Canterbury Rugby Supporters' Club. You can be sure he'll talk (and talk!) Dick will bring the odd rugby personality to review the season to date and look towards their clash next day.

Along with the strong Canterbury flavour, the charity will be **Emergency Care, Christchurch Hospital!** To enhance the occasion, Canterbury Supporters will be welcomed.

We have held the price for the day at \$70. This will include a full buffet lunch (all new menu) together with a selection of wines and pre-lunch drinks.

Also, after the highly-popular adjournment to the **Trax** bar after our last lunch, we have negotiated for a similar arrangement at nearby **Macks Brewery Bar**.

This is your chance to bring unlimited guests to Flagstaff. It is an ideal chance to invite guests from far and near for a fantastic celebration of **RUGBY**. So get a table together now and organize a full-on rugby weekend. **Ticket sales must close Friday, June 10**, to confirm catering etc. Just reply to this E-mail or contact:
